PATENT AGENCY—

KIODER'S GAS REGUL-TOR,

The flegulator is small, simple, easily applied; when once adjusted, requires no further attention. The disagreeable effect of Gas, upon the conslexion is atmost entirely obvinted, by the use of the Regulator. The light being more agreeable in color and less injurious to the eye. The unbeathy consequences reguling from the escape of innon-most gas are also remedied, besides a great saving in official by its use, not only from the intensu pressure from the street, but a o when part of the lights in the room are extinguished to pressure access rily increasing extinguished the prosume necessarily necessing on those still birning, or that a large portion of the gas escaping unburned, and is of course was

The Gas Regulitor is highly recommended by the press at large. For such in sizes unita-ble for Manufactories, But. Is, Stores, Offices, each private dwellings. W. D. GIFFORD,
